
INTRODUCTION TO HIGHER EDUCATION COURSE REQUIREMENT

Spring Quarter, 2008

Note: This requirement must be completed by passing the course, no later than the second quarter of attendance at Cal State L.A.

University policy requires that all undergraduate students who do not have a bachelor's degree and entered, or returned to, Cal State L.A. Fall 1997 or later, and who are subject to the 1997 and later GE requirements are required to pass Introduction to Higher Education course. Freshmen meet this requirement by enrolling in a 100 level course offered by the College that offers their major. Undergraduate transfer students who entered, or returned to, Cal State L.A. Fall, 1999 or later and who are subject to the 1997 and later GE requirements, are required to complete a Transition to Cal State L.A. course (300 level) offered by the College that offers their major. Special sections of the courses, organized at the University level, are offered for undeclared majors. All students with declared majors should see an academic advisor in their college/department prior to enrolling in the Introduction to Higher Education (101) course or the Transition to Cal State L.A. (301) course. Undeclared majors should see an academic advisor in the University Advisement Center, located in the University Library Palmer Wing, 1040A. Students who fulfill this requirement do not have to repeat it if they change majors.
